Brookswood Secondary School
CatPack 8 Application Form
September 2022 Enrollment

Brookswood's CatPack program promotes authentic learning through the creation of real world contexts and reasons for learning, both within and beyond the boundaries of the traditional classroom. The primary goal of instruction within CatPack is to further a student's abilities in communication, critical and creative thinking, and personal and social responsibility. To accomplish this goal, learning within CatPack is governed by the principles of Project-Based Learning.

What we want is for our students to be part of an environment where they have the opportunity to explore, innovate, and collaborate with students in their class or experts around the world.

For more information on the program and access to an online version of this application, please go to http://brookswoodbobcats.com/catpack

Student Information

Name: _____

Current School: _____

Current Teacher: _____

Family Information

Parent or Guardian name(s): _____

Home phone number: _____   Alternate phone number: _____

Home address: _____   Postal code_____

E-mail: _____
